About SCDM

Working together to create a healthier world.

The Society for Clinical Data Management (SCDM) is an influential community that promotes industry best practices, education, and innovation.

SCDM was founded in 1994 as a non-profit organization. With over 3,000 members from around the globe, we work together to advance Clinical Data Management. Through education, certification, and our influence, we play a crucial role in the advancement of clinical research and the development of safe and effective medical treatments for a healthier world.

Our annual and regional conferences have become highlights throughout the year, bringing together experts to showcase innovative ideas and technologies and foster a strong sense of community.

SILVER PACKAGE N°6**Delegate Networking Lounge -
Sponsor A**

Value

6,000€
excl. VAT**Unique to Silver N°6****Sponsor of one of the two Delegate Networking
Lounges**

- 30 sqm with furniture

The Delegates Lounge allows attendees to network in a relaxed setting and deepen their business conversations. This offers the perfect opportunity for your company to promote your latest solutions and innovations. The lounges are highly flexible options. Contact us to brainstorm options to ensure you will get the most out of your lounge (additional charges may apply for added visibility).

Please note the Delegates Lounge cannot be seen as the equivalent of a booth for the sponsor. We offer visibility opportunities in the Lounge, such as pull-ups, a table with company documentation but the sponsoring company team cannot have its representatives in the space at all times. It is first and foremost a Delegates Networking Lounge.
